“ *MY sympathy, sorry I am not able to attend, I think Hildegard would understand and just shake her head about the snow storm that dumped on our area during her visitation and funeral. Hope all of your family is safe and able to say good bye as needed. May she rest in eternal peace.*

“ *Your family has my sympathies. So sad to think the Herman and Mary children are all gone now. What a great group. We have been blessed. We will pray for your peace and acceptance in dealing with your loss.*

Love, Bernie, Marcy and Owen.

Oh wait, Dan, Marcy and Owen

She could never get it right but with about 100 nieces and nephews and well over 50 children, grandchildren and great grandchildren I guess I can cut her some slack. RIP

“ *We are so sorry about the loss of your Mom/Grandma and our Aunt. She was a neat lady, from a large amazing family. She will be missed, but I can imagine the reunion they are having.*

Our Love and Sympathy and Prayers!
