“ To Irene's family,

*I send my love and deepest sympathy to each and every dear one of Irene's family. Please know my heart goes out to all of you for your loss. Fortunately, Jill and I had a wonderful visit with Irene in the nursing home just this spring. We reminisced and enjoyed listening to her memories, especially when she and Scott helped to take care of Jill when she was a baby. Irene was in great spirits and talked about each family member and we caught up on many years. She even made a trip to Kansas after Jill's first son Joshua was born and we all had a nice evening of visiting. Jill gave her two great-grandson's, as I mentioned Joshua and then Tyler and Jill stayed in touch keeping her informed. Jill has Irene's creative ability and it shows in her decorating, as I mentioned to Irene and she seemed pleased. I'm so thankful for our visit and Irene was so happy to see us. Jill and I will cherish this visit. So, it is in loving concern that I send my heartfelt sympathy to all of Irene's dear family.*

*All my love,  
Joyce*
