“ Jim was a kind, caring individual – his family continues to carry that light. We were blessed to have had such a wonderful daycare family for over 15+ years from our oldest to our youngest, as well as a few 911 calls to which Jim selflessly responded and Janelle’s comforting voice was on the other end of the dispatch call. Jim made a difference in our lives and for that we are truly grateful. Sending all of you prayers for strength, thoughts for healing, and wishes for peace.

“ I remember Jim when myself and my siblings went to daycare. I don't think you could've met a more patient and laid-back individual than Jim. Extremely kind, fun and funny. Always had a smile on his face. I'll never forget Jim let me drive a four wheeler for the first time as a kid. He will be forever missed.
