I am so sorry for your loss of Jeanette. She was a wonderful gal and she touched my life in many ways. She had a gift of making you want to be a better person just by being herself. After attending her funeral today I see that she touched MANY people with her kindness and loving heart. What a WONDERFUL tribute to her and a life well lived. Just goes to show us that when you give love away it comes back to you. God be with the DeRose family!*

“ Dear Jim and family,

Although I never met Jeanette in person, her warmth and kindness touched my life. My college roommates worked at the resort and would often come home with Jeanette's famous brownies. I don't think they sat on our counter for more than an hour before we gobbled them up. My roommates would often talk about how amazing of a woman Jeanette was and admired her strong faith. Jeanette is a very special person to both of them and I know she will be truly missed.

Sending all of my love,

Jenny

“ Words can't express the loss of having Jeanette leave this world. What a tremendous example of courage, love, faith and happiness to all that knew her. She gave so much of her kindness, energy and positive attitude to all that came in contact with her. Our loss and Heaven's Gain. She welcomed so many strangers to Riverside Resort with her smile and caring heart. Jeanette and family gave us wonderful memories and those remain always with us. Thanks for sharing Jeanette with us.

The effects of Jeanette's life will be felt for eternity here on earth and in all the heavens, as a pebble in the water.
