“ Jennifer was a beautiful person inside and out. I loved having her over at my place. My kids loved her and she was so good with them. She would play video games or get down on the floor and color with them. She loved my pancakes and always gave me the sad eyes until I gave in and made them for her. Vincent and I loved her like a part of the family. This world will be a little less bright without her smile. Jennifer, I love you and you will always have a peice of my heart. I pray that you are without pain and your heart is at peace. God bless her lost soul and take her home with you to be loved....Amen
