“ *I did not know Jerod, but my heart goes out to all of his family. I am sorry that he felt such despair. I included all of you in prayer intentions while on retreat this past week-end.*

“ *To Jerod's parents: I first met you when I worked as an AAL District Representative and over the years I've thought of you often because I nearly hit a deer going to your home back then. Now however I want to extent my sincere thoughts and prayers to you for your loss of your son. Our 35 year old cross country runner son died from a heart attack. Even tho I don't know your grief, I do know it is a very different grief and the hardest loss. Truly my heart goes out to you. People we barely knew but who also lost a child took us out for coffee every so often. I'd like to return their jester and offer the same to you if needed. My husband and I are open for coffee whenever you need. 253-1259. God Bless you and may His promise of His love and life with Him hold you, Sharon Litzau*
