“ I am so sorry to hear about Joann's passing. We worked together for many years and on slow days she would come up with the idea that we should take a long lunch period and go out somewhere. I would agree and then she would say, "great, you go ask." So I had the job of convincing our supervisor to let us go and we usually were able to go. Joann was a very hard worker and fun to be around. I will never forget her great laugh. RIP Joann
