“ *Brenda, just shocked to learn about John’s passing. Only met him once when you two were volunteering at a concert at the MN Zoo. Believe you moved to AZ not too long afterwards. Glad you had those years of retirement together. So sorry for your loss; take care of yourself. Jo Frankovich*

“ *Brenda...*

I'm truly sorry to hear about your loss of John.

We worked together at Centurylink for a number of years at our office on Stinson Blvd in Mpls. as well as the St.Paul office...

I want you to know that I really enjoyed working with John and that I found him to be one of the kindest people that I've ever known.....

We always had great conversation about our larger families and how our Catholic Faith had a great impact on our lives...

"Blessings and Peace" to you and your family!

“ Brenda, so sorry to hear about John. He was a great co-worker and friend.

I had the honor of retiring on the same day as John from Centurylink. I will remember the day we walked out of that building together.

Find peace with all the great memories you shared with him.

“ So sorry to hear of John's passing. Hope that you Brenda are at peace as well as John's siblings , nieces and nephews. Only today, from a mutual work friend, did I hear of details of the past few years of John's life and his recent battle. I enjoyed those years at work bantering with him about everything but work.

“ We had the honor and privilege of meeting. John, just a few short weeks before he passed away. He was the most pleasant man and my only regret is that we won't have more encounters. I think he's one of those people that you can say is one in a million and he had a big impact on us in the couple of times we got to visit with him. Many thanks to Tom and Sue for sharing John and Brenda with us. Play lots of Swoop in Heaven, John!

“ *John was probably the nicest friend you could ever have and will be dearly missed by anyone who ever knew him. We traveled extensively the past 12 years to England, Switzerland, Austria, Germany and Hungary as well meeting him and Brenda in Mexico the past 2 winters. I count him amongst the best friends in my life and am so saddened by his early passing.*

We so enjoyed John's wit and sense of humor and marveled at his ability to be a "cattle whisperer", as several times during our travels he would stop and seemingly talk to cows and cattle that we encountered. Not to mention that we both enjoyed The Kraken with some diet Coke! Just a great guy!

Rest in peace my friend.
