“ Betty, Mark, Brian and the rest of the family - So sorry to here of Joe's passing. We used to stay at the resort all summer from the mid 70's to the mid 80's. I was a teenager back then and enjoyed standing at the beer shack talking with Joe about fishing and farming. Shaking dice (6-5-4 or horses) double or nothing for a bottle of orange pop was the best. I will miss the thought of Joe in the shack. So many memories. Take care all of you. Tim Ellis (John and Fran's son)

“ I remember Uncle Joe from the times when my dad (Roman) would take me muskrat trapping at the lake. Joe would also trap after and between chores. Everyday we would stop by to compare our successes or lack of success for that day. Looking back it seems that Joe was attentive to me and my stories even though I was just a kid. I always thought of him and Betty as being kind and gracious. My prayers are for comfort for Betty and the family during this time of loss. God has a plan for each of us and we can inspire each other as Uncle Joe has inspired me.
