“ *Joyce was a dear friend of mine. We knew each other for over 50 yrs. Old friends are forever friends. We worked together ,bowled together on leagues and were even roommates. I was honored to be beside her when she married Freddie. She was always there for me in good times and hard times. We also shared the most important thing in life our faith in God. I am peaceful about her leaving us because I know she is with Jesus. I will miss our phone calls (all we had at the end) visits that were not as frequent as we aged and the connection we always had. I know we will see each other again.*

“ *Joyce worked so hard at making District 750 a warm and welcoming place to work. I will always remember the personal, handwritten notes she would send on our birthdays and special occasions. She went to many of the school and community events and if you were involved you would probably receive a complimentary note the next day. She was always so quiet and unassuming, but the backbone of the district office. She helped make sure that everything ran smoothly. She was a joy to know. May your memories of her help you through this time of loss. 🙏❤️*
