“ *To Dave and the entire family, our family grieves with you. Please accept our deepest condolences during this difficult period. We continue to dedicate prayers and thoughts for strength, peace, comfort, and continued love among you all. Judy's warmth, love, care and selflessness will be greatly missed. How I wish our projected trip to Kenya, would have materialized, but God had a different plan. We thank God for so many wonderful memories during our family trips, celebrations and numerous other activities. Judy genuinely cared for everyone and wanted things to be perfect. It has been a blessing to meet and know such a wonderful and beautiful human being. May your positivity and sweet spirit live on forever. Rest in peace. It is well with Judy's soul. Forever in our hearts and minds. Fred, Lily, Magdalene and Jasmine 🙏🌸🕊️*

“ Judy was the best! My sympathies to all her loved ones. I worked with Judy at St. Cloud State. In fact, she called me about the position. So, I am grateful to her for her help. One fun memory I have about Judy is: I was in her office and it started raining heavily. I did not have my umbrella with me. Judy insisted I borrow hers. She was so kind!

“ I worked with Judy "back in the day" at Lumber One, Avon and we went to ceramics, etc. Although we didn't see each other real often, we remained friends and I also had a connection working with Dave between our offices. Keep special memories of Judy in your heart. She was a dear person. Mary K. Eisenschenk

“ I am so sorry to hear this news. Judy was so great to work with at SCSU. She was such a happy and helpful person. I was able to work with her in HR for 2 years, and she was such a wonderful colleague--always willing to help, and always so upbeat and kind. I will be unable to attend the celebration of life, but she and her family will be in my prayers.
