“ *I am so sorry for the loss of your loved one. I didn't know Julie real well but we lived in the same apt. Building as I did. She knocked at my door one night and said she really needed someone to talk too. She came in and we talked for 3 hours. I soon became her go to person when she needed someone. She had a big heart and she loved to visit. I was sad to see her go but I know it was for her own good. May she be at peace in Heaven. Mary Ann Schmidt*
