“ *Julie was an amazing lady who I wish I'd had the honor of knowing for longer than I did. She was not only an excellent care-giver to my brother, but a loving one as well. She was the answer to our prayers! . We felt as if a family member was caring for him. He loved her so much, and we had grown to love her as well. She will be missed but never forgotten. We will continue to keep her and her family in our prayers.*

“ *Julie was the care aide for my younger brother. He loved her dearly, as do all of the members of his family for her selfless and genuine devotion to him. From day one Julie went above and beyond to make sure my brother was happy, healthy and enjoying life. She was truly an angel sent to us from God. Our hearts go out to her family. Please know that we are well aware of how amazing and loving Julie was. We appreciated her every day and we miss her very much. She will remain in our hearts and in our prayers.*

“ Kevin, Kaitlin and Riley, May memories of Julie's love and laughter comfort all of you in this most difficult time.

I was lucky to get to know Julie through our daughter's activities. We spent many hours at swim meets chatting and chuckling. We have only seen each other in passing now as our girls have grown into women with lives of their own. Julie always stopped for a few minutes to share news of the family and her ready smile. I am grateful to have had the opportunity to know her. Her light will be missed and her memory will live on.

“ I had the pleasure of working as a team member with Julie at Catholic Charities. Julie put her whole heart into the care of the residents and facilitated many community activities they greatly enjoyed doing with her. Julie had previously enrolled two clients in equine therapy sessions in Avon. The program had just resumed after winter break and she was assisting the clients in preparing to go there the morning she tragically passed away.

Julie's cheerfulness and caring will be greatly missed. It was an honor to know her.

“ Julie took excellent care of my brother, Matt, at the group home and he loved her! She often sent us pictures and videos so we could see how he was doing and it gave us great comfort to see how happy he was. We were so blessed to have had Julie in his life and ours. We will miss her so much! Your family is in our prayers.
