“ I just heard the news about Karl today. My deepest sympathy to family. Jeffrey and I had the privilege of Karl's friendship: at the shop during a tattoo or Sturgis upcoming events or what took place. He truly was an amazing person. Karl may you ride with the Angels every day. God Bless Judy Hunstiger

“ So many teenage stories to tell. Karl and I were nearly like glue thru school. Him and I went thru a ton of life's complications and life's best moments. And I know for sure that both Jim and Lucy question if I was a good thing or bad.lol. But we became best friends for along time. I am saddened that we didn't stay in touch like we should have. RIP my friend. I will see you on the other side

“ It was always a pleasure getting to speak with Karl. He was consistently kind, warm, and genuine, and he had a way of making you feel like a true friend. I had the privilege of covering as his manager while his assigned manager was on PTO, and I truly enjoyed the opportunity to work more closely with him. Whether we were talking about his upcoming Sturgis trip or working through questions he had, I always looked forward to our conversations. Karl was an incredible person, and I am deeply saddened by his passing. I keep him and his family in my thoughts and prayers. I feel truly fortunate to have known such a special person.

“ *To know Karl was truly a special opportunity. He was the kind of person who rarely asked for anything, yet gave so much of himself to everyone around him. He was always so positive and seemed to always find the good. When he told a story you felt like you were part of it.*

He had a quiet strength and a genuine kindness that made people feel at ease just being around him. Karl's presence was a gift, one of those people you meet and you felt like you've known forever.

I'm so deeply sorry for your loss. My thoughts are with you and your family during this difficult time.

Sturgis just won't be the same without him.

“Karl was truly one of the kindest people I've had the privilege of working with over the years. He was always generous with his time, thoughtful in his words, and quick to share a laugh. Our conversations, both about work and life, were meaningful, and I will always remember his warmth and good humor. He will be deeply missed.

“I have known Karl since 2007. He always had a smile on his face, and he never had a bad word to say about anyone. He was truly a good man. I will never forget when I was training him to back up our team, we had to road trip to Harmony, MN. We got caught in a blizzard in Rochester and white knuckled it all the way home. It is a very memorable moment for me, and I hope it was for him. I am glad I got to see him back in December after I came back to Cetera. Rest in Peace, Karl. You will be missed

“ I worked with Karl for almost ten years, and he was always so kind and genuinely great to talk to.

We shared many conversations about his trips to Sturgis; something I especially enjoyed as a Sons of Anarchy fan. He told me stories about seeing cast members from the show there.

He would also laugh at me when I told him I was bundled up in a blanket because the temperature had dipped below 60 degrees here in California. Our conversations made me smile and always brightened my day.

I'm truly grateful to have known Karl, and I will miss him very much. My deepest condolences to his family, friends, and all who loved him.

“ *It's hard to put into words the impact Karl had on all of us who he worked with. He was more than just a colleague, he was someone we could always count on to be supportive and kind.*

He had a way of lifting others up, offering help without hesitation, and bringing a sense of calm and positivity to our requests. Many of us leaned on him, and he never failed to show up.

We will deeply miss him!
