

Kathleen "Katie" Wimmer

September 7, 1938 - January 8, 2022

Born in St. Cloud, Minnesota, on September 7, 1938, to Florence and Andrew Neutzling (one of twelve children), Kathleen "Katie" Wimmer (Neutzling) gained her angel wings on January 8, 2022.

A successful business woman and community member, Katie was first and foremost a loving wife to William "Bill" Wimmer, her husband of 60 wonderful years, a devoted mother to their four children Willie (Sarah), Wendy Spencer, Michelle (Mark) Tentis and Pat (Diane), grandmother to their nine grandchildren, Jimmy, Joey, Zach, Leah, Brooke, Jennifer, Sally, Jake and Ben and great-grandmother to Stella as well as a loyal friend to many. Her favorite moments were those spent with family and friends.

It brought Katie great joy to plan fun family times and to shower her grandchildren with gifts and homemade treats, making everyone feel special and creating many happy memories. Katie loved to entertain. Whether at home in Anoka or later on Pearl Lake or in one of their favorite sunny spots in Hawaii or Florida, there was always great food, laughter and fun. She and Bill cherished those times with friends, many of whom are lifelong friends.

Always the caregiver, Katie never hesitated to lend a helping hand in ways big and small, and she was often the one to care for elderly or ill family and friends. Generous and compassionate, she touched the lives of countless

individuals and brightened their days with her love and care. She will be missed by many.

The family will hold a private funeral service. In lieu of flowers, the family requests donations be made to: St. Cloud Cathedral <https://cathedralcrusaders.org/give/> or the Poor Clare Monastery of Sauk Rapids <https://poorclares.stcloudio.org/>.

“ *I just adored Katie. I didn't know her very long. However, I've know her daughter, Wendy, inside and out (lol). Amazing woman. I had spent an evening with Katie. Just the two of us for several hours. She told me great stories of great love and family time. It was obvious that her family & friends completed her. She had a warm kind smile with kind eyes. We can all let Katie set the bar as to how to live our best lives, surround ourselves with good positive vibes & peace.*

God has certainly blessed you Miss Katie. Hope your wearing your boa and raising your glass high right now!!!!

“ *Although I didn't meet Katie and Bill until we all had grown children and grandchildren, I have enough wonderful memories to span many more years. Starting with our first meeting at Pearl Lake, we became fast friends, sharing lots of lake meals together, trips to Florida, buying pull tabs at the lodge, and always treated like I was one of the family. My heart goes out to Bill, Willie, Wendy, Michelle, and Pat, as well as their families. No one will ever replace Katie in our hearts.*

“ We well remember visits with Katy and Bill at Pear Lake and in Florida. It would be impossible to speak of one without the other. Their hospitality and good humor were exemplary and the food and drink delightful. They were the epitome of gracious business people who gave back to their community. We were pleased to count them as friends,

“ I remember when I was a little girl Katie and Bill welcomed my family and I into their home on Lake Pearl many times...some of my favorite childhood memories happened at that cabin! I will never forget your kindness. Thank you for being the perfect host! Aunt Michelle learned from the best! ❤️ 🙏

“ I did not know this beautiful woman, but most certainly knew her daughter Michelle.
She should be very proud of her children and grandchildren. They are wonderful people , with guidance along the way. I have been told “ if you want to know the sincerity and value of someone, check out their mother and father’s sincerity and value.” Nuff said! 🙏💜💚

“ So very sorry to hear of Katie’s passing. Find comfort in that there is no more sickness or pain. She will be met at the pearly gates by many family members, where there is nothing but happiness.
Thoughts and prayers to all!
