“ *I am very sorry to hear of Ken's passing. I was a student of his in the IME dept at NDSU a few years before his retirement. As a senior, I can remember many afternoon visits in the halls--he was always concerned about us and our futures. I last saw him at his retirement party and he was certainly looking forward to spending time with family near the lake. Keep holding on to your dear memories of him.*

“ Dear Adah, Tom, Maribel, Tim, Valerie and grandkids:

Please accept my sincere condolences for the sudden loss your dear husband, father, father-in-law and grandfather. I can only imagine what a shock it must have been to all of you.

It was only a few weeks ago that we sat together and played cards and had such a good time. As normal Ken was up to his tricks pretending he didn't know how to play the game but he sure didn't have any problem making his bids.

Ken loved playing his tricks and telling his stores and he could keep a straight face while doing it but he always had that gleam in his eye so you knew he was up to something.

I have and will always hold close to my heart all the good times I had with him. The scary stories he would tell us kids in the basement and then jump out and scare us, the basketball tournaments and stair fairs that I was so fortunate to share with him.

He gave my granddaughter her first ride on a jet ski which she enjoyed immensely. Then to watch Ken and Art tooling around the lake enjoying themselves like boys should was great to see.

One of my mom's favorite shows is "The Price Is Right" and every time I see that show come on I do and will forever think of Ken. I am so happy he had that experience and was able to enjoy his dune buggy.

Ken was such a kind person, who will be greatly missed by all who knew him. You can take comfort and strength from the wonderful family you and he had together. I know their love will get you through this sad time.

May God bless you and your family during this time and always.

“ *Adah and family, We are numb to hear of the passing of a wonderful cousin. I will always remember the teasing and jokes, also the scaring he did to his cousins in the dark basement until we nearly peed our pants. Now as an adult I will always remember his warmth, welcoming and humorous personality, and how he treated us more as siblings than cousins. We will for sure miss him and his humor. Our loss is heavens gain. Adah, Tom, Valerie, Tim and Maribel and grandkids are in our thoughts and prayers always.*
