“ My mother was one of the strongest people i have ever met, if not the strongest. You always knew where she stood with you, and she was honest beyond reproach. My wife Jodi and I were so blessed to have her in our home when she passed, which my mom got all her final wishes, to be in her own bed, to be at our home, and to have her kids not see her go, which we accomplished all of those. My mother and I have always been close, have we had our ups and downs, sure, but in the end, we both new how much we loved each other, and how much we will miss each other. Mom protected her family with the fierceness and tenacity anyone could possibly imagine, and i am so proud of her for that. I LOVE YOU MOM, BEYOND WORDS !!!! Go take care of Dad now, and grandma, and until i see you again mom, always know you are in my heart forever.
