“ *loved hanging out at the Hommerding's when I was a teenager. Laverne was fun to talk to and her laugh was infectious. I tried to get her to giggle as much as possible. The rest of the family tree was equally entertaining and I have wonderful memories of the Hommerding family back in the good old days. Laverne, I will remember you as long as I live! My life was richer because I knew you. Thanks, dear lady. Kay (Brubaker) Christopherson*

*It was always interesting when Kay was around. She got away with stuff us kids never would have... Like the time she dumped the bucket of water on Dad. Love ya, Kay! ~ Laurie*
