“ Lenore was one of the hardest working women I know. Always a smile on her face and a warm "Hello" whenever I'd see her. When she moved So of Cold Spring, she'd walk every single day- rain or shine, cold or heat!-Sometimes I would ask if she wanted a ride- She'd politely thank me and say "I need the exercise"- that was after working all day! There were only two women in Cold Spring I knew that walked- Lenore and my mom- both very energetic, patient women.

*My sincere sympathy to the May family- Remember the good times- cherish them always and Be proud to have had such a wonderful woman for a mom. She will be missed, but never forgotten.*

“ Lenore was our neighbor on Schneider Lake in Cold Spring and a second mom to me . She was always opening her home to let me stay or provide me a warm cooked meal. The angels will be happy as Lenore will provide them with delicious home made bread and warm soup. With great admiration and love.

“ Lenore was one of our favorite aunts. She was a kind and positive person. She so loved her children and grandkids. Our deepest and sincere sympathy during this time of great loss. Your mother is the only person that ever loved you before your birth and with her dying breath. Take comfort that you were well loved and now she is in heaven with God and is once again smiling and happy.
