“ Such a tragic loss for your family and for our community. Leo was a victim of crime and his death unjust, may you spend more time thinking of his life and not his death. He truly was a talented individual and will be missed by so many. Just wanted to tell you how sorry I am for this tradic loss in your family. Some of the "whys" in life never get answered and others do later on down the road... May God be with you at this time and give you strength.

“ Leo and I lived on the same floor in Urness his freshman year at Augsburg. I remember him being very pleasant, always showing a smile when we spoke. We'd play pool together or eat a meal in the dining facility. Leo was a resident that I could trust, which is very important to me.

“ To the Kohorst family,
Our deepest sympathy go out to your family during this unexplainable, tragic loss of life! My daughter Ashley was a classmate/locker neighbor to Lee during high school. She was deeply saddened to hear of the loss of a classmate. She spoke very highly of Lee and stated they were also in band together. It is always hard to lose someone we love dearly. The time that follows is unbearable at times, but God will get you through this. It will take time. Ashley lost her father to cancer when she was just 7, so the loss of a loved one is very hard to bare. We will keep your family in our prayers! God Bless you and forever keep you in His heart!

“ No words can ever express what you are going through. I know, my 22 year old son Jonathon died in April. Even though we don't know eachother, I just want you to know that your family is in my prayers. Nothing can ever prepare you for something so awful. Stay as strong as you can and know that there are people out there who share in your grief and are thinking about you and hoping that each day you find the strength to pull yourself up even when you don't want to. People think they can have an inkling of how awful it is to lose a child, I know I used to. But then, it happens to you and you realize it is a million times worse than you could have ever imagined. Again, I am truly sorry. Take care...
