“ Leslie was ALWAYS so smiley anytime I saw her. She was a genuinely nice, sweet, and caring person who anyone who knew her was lucky they did. My last memory of her was at a family gathering for her niece Kayla's birthday. We were playing a game and some of her answers just had us laughing. She loved her family so much, and her daughter. My heart breaks for all of them having to endure the pain of missing such a great person. Fly high my dear. You will be missed by many.

“ Leslie was an amazing woman, mother, sister, aunt, cousin, and my best friend. She had a laugh that was so contagious. When she started laughing we couldn't stop. She was an incredible mother her daughter was her world. There will be a void in my life forever. She will be missed!

“ Leslie was one of the best single mother I ever knew she loved her daughter more than life. She taught her how to love and how to be kind and most of all she did this by herself and the help of her family. May the angels welcome you with open arms and always watch over Jasmine with you Hugs love Dick and Rita Stanger
