“ *Aunt Lorraine has always been very special to me. Soon after the day I was born she and baby Mary came down to be with my Mom and then she was my godmother at my baptism. So many wonderful memories of holidays with her and her amazing pies and warm inviting home. She always remembered me and made a special effort to stay in touch with me and my family. Aunt Lorraine was also a wonderful friend to my Mom who always loved their weekly telephone calls. And then the most touching time when she came to my daughter's wedding in California after my Mom had died because she knew my Mom couldn't be there. Such a wonderful loving person and she will always have a special place in my heart.*
