“ One of mom’s cool talents (she had many) was her special gift of cooking and feeding people. There was always enough even if unexpected people showed up last minute. She was always ready to scramble up some eggs to add in a big bowl alongside of the fried fish. Or, more bread with some extra special homemade jam. She called it “adding another noodle to the pot” All were welcome...when she heard a car pull into the driveway, she sprang into action! She was such a good cook...🍲👩🍳.
