“ *Uncle Clarence & family, Clara, Melvin, Donna, & Polycarp:
It is with our sincerest and deepest regrets that we are unable to be there with you to celebrate the life of Aunt Lorraine. She meant a lot to us and will always hold a SPECIAL place in our hearts for everything that she did for us and the wonderful times we had playing cards, fishing and telling stories while sitting around the tables either there or at mom and dad's house. I can't believe she is gone, but God has been given a great soul in heaven that we will see again some day. May God Bless you all and give you Peace through this time. Love you all. Erin & Fred*

“ *To all the family and loved ones of Lorraine, you have my deepest sympathy. I used to live in Richmond and we attended Bible studies together. I've thought of her often since then. She will be missed.*
