“ *I admire Lorraine for what a great mother she was. She was quite the project manager, back before we even knew what a project manager was. Clean, organized and uncluttered house, lots of fresh homemade food on the table, lots of processes in place to keep everything running smoothly, and lots of laughter in the living room in the evening with the entire family around, when all the work was done. (And have you ever heard so many people talk so fast all at the same time! LOL! Beautiful! Funny!) I learned all of this from many sleepovers there when visiting my dear friend, Tammy. Wonderful family, because they had such wonderful parents, Lorraine and Jerry. Thank you, Lorraine, for the beautiful legacy you have left, and God Bless You. You will be greatly missed.*

“ *Lorraine was one of the sweetest, friendliest people I knew. A wonderful role model for everyone who knew her. I will miss Lorraine as I miss her husband Jerry. They were great people who left us far too soon.*
