“ *My condolences to Mr Edelbrock, and my bud, Bill. Mrs E used to grin when I'd come over, and imitate Eddie Haskell with, "Gee, Mrs Edelbrock, that is quite a lovely dress you're wearing today!" She always had a quick smackdown related to my alter-ego, Eddie Haskell! She was always the surrogate parent, advisor, and a most benevolent cook for ALL of Bill and Eric's friends. She shared of herself with all...with love! From the outside looking in, I witnessed ultimate love for Bill, Eric, and most of all, YOU, Mr E! It was obvious to me that you were the apple of her eye! Please take care, Mr Edelbrock and Bill. My prayers from Brookfield, Brian.*

“ *Susie was a favorite cousin of mine--and a WONDERFUL person! My mother, Lillian (Larson) Monson, was a sister to Susie's mother, Myrtle. When I was small our family would travel from Coeur d'Alene, ID to MN and see "all the relatives". Susie & Dorothy were a big part of my early remembrances, and they were always up to something--what FUN! But it wasn't until I was an adult that I began a closer relationship with Susie and realize how special she was. I will truly miss her! My Love & condolences are with Tom, Bill, the grandsons & Beth.*

“ *What a great, great human being. My most vivid memory is my age of about 10 when we visited their farm, and Dorothy and Susie decided that we should all go to the fair, and what fun. They also introduced me to banana and peanut butter sandwiches. I wish that I had known that Tom and Susie visited the Valley, as I live in Scottsdale and would have enjoyed their coming to my home for lunch. My love to the family, Alice Jacobsen Tom, since you live in Mesa, call me at 480-949-5281.*
