“ *The best part of my childhood was hanging with my cousins. Lynda, Deb ,Hank, Brian, Sandy. The great summer days at our Grandparents lake. Running around the lake. Swimming, Sneaking out at night. Sleeping in the porch. We were always together. Since I was born they have been and always will be the best times of my life. Some of the most important people in my life. (Remember the" dirty kilowatts" will march on arm and arm forever.) I love you My sweetest cousin and I will miss you. Love Cousin Laura*
