“ *Marcella - and her husband Ervin - were two of the "good people" we knew when we lived in Cold Spring many years ago. Marcella was also so nice and friendly when I came to see "Moose" in the winter to go out with our snowmobiles. That kitchen always smelled of her GREAT COOKING. Ervin and Marcella raised some great kids!!*

“ *Aunt Marcella was such a soft spoken, sweet women! And as stated in her obituary; I never heard her complain EVER about her work load. Raising all of you children certainly had it's rewards for her. Although she was without a husband, she was never alone. There was always someone with her to love and care for her. So all of you (& us) have been blessed by having Marcella touch our lives. Marcella was blessed with an abundance of love from all of you, her siblings, MANY nieces and nephews and an abundance of friends. May you always have peace knowing life was a wonderful journey because she was a part of it!*

“ *To Marcella's family--her obituary describes her exactly as I remember her. I always admired her and your family because as large of a family as it was, it was very "close knit". What a role model for us all. Our thoughts and prayers are with you and remember.....she is only a memory away.*

“ Hi everyone. Lori called me last night to let me know about her mom. I wanted to let you all know how sorry I am to hear that she passed away. She was one of the kindest, most caring, compassionate people I've known. I will miss her, as I know you all will too. Please know you are all in my thoughts and prayers. Take care, Gloria Pederson
