“ *Dear John, Robin, Danel, and family,*
I cannot tell you how saddened we are to hear about Marcie. Marcie
was one of the loveliest, most gracious, and kind people I have ever
known. I always admired her and wished we would have had the
opportunity to become closer friends. We had talked about taking
the train together to Chicago to visit our daughters which would
have been wonderful. How fortunate you were to have had this
beautiful wife and mother in your life. No doubt it will be very difficult
to go on, but surely you know you have an angel with you the rest of
your lives. Know also that you are in our hearts and in our prayers.
With love,
Sue Thompson
