“ To my cousins, the Torborg Family: Aunt Margaret was a very special woman who had a heart of gold and her feet on the solid ground of her faith in Jesus. Both she and your dad, Uncle Edwin, are remembered fondly for their steadfast love of Christ and their dedication to family. Margaret brought joy and laughter to our family gatherings; and in the Stommes tradition, shared a song willingly. Her harmonies with her brothers delighted many ears and her gift for yodeling brought their heritage alive to our generation. What a full, beautiful life she lived and what a legacy of love she has passed on to your family! May your sorrows be lightened knowing that she is at peace in the arms of her Savior, Jesus.
