“ Mark was a wonderful friend to Steve and I as well as a honorary uncle to our girls:) We knew we could always ask him any questions of how to build things or fix a problem! He always “ knew a guy” to help:) Mark has helped us through the years on many projects at our house, so every where we turn we will have great memories of him. Our thoughts and prayers go out to his family. Love the Toughills

“ *Mark was the model neighbor along with Deb. Mark always had his garage door open as an invite for anyone to stop in for a visit. If we couldn't figure out the engineering of something we were putting together we'd find Mark in that open garage door and he'd find a SOLUTION or the part we needed. He was a jack of all trades. Rest in peace Mark. You will be greatly missed dear neighbor and we'll always remember the laughs you shared with us. And oh, those amazing fish you'd bring over cleaned and ready to fry were just the BEST!*
