“ *MaryAnn was always a very special aunt to our family, being the twin sister of our mom. I feel very fortunate for having gotten closer to her over the past 14 years as both she and Mom experienced widowhood. MaryAnn was a great influence to keep our mom encouraged and involved, whether it was in making the move to John Paul Apts, playing Bingo, or using the NuStep bicycles there. MaryAnn always made time to welcome our mom for afternoon visits or to join us for family gatherings at Assumption Community. She was patient and kind when our mom had times of confusion. All of us will miss her kindnesses and genuine appreciation for the smallest things we could do for her. May you all be comforted knowing that her faith won for her the greatest jackpot ever!*
