“ *My deepest sympathies go to Mary's family and friends. She is my sister in laws Sister. I always loved seeing Mary at family gatherings. We always talked about how fun it was to share two lovely lovely Nieces - Melanie and Kali!! The last time I saw her we gloated over how blessed we were to have the Nieces as well as great nieces and nephews too!! I didn't see her often enough, but she told me she was going to come back as something shiny!! So with all the shiny out there, I will see her a lot!! My favorite shiny is when the sunshine hits the lake and the reflection off the waves looks like millions of diamonds. Mary the Universe is a brighter place with you there as the world stays bright with the many lives you touched. Blessed Be*

“ Mary, Mary Ann, MiMi... You are and will be dearly missed my good friend!! Since kindergarten and in first grade, getting in trouble for mocking our music teacher for singing “fresh potatoes, ripe tomatoes...lettuce so crisp and green”, I knew that I had found a friend for life!💕 There is not enough room here, to tell of all our wonderful memories, but I want to express my condolences to Mike and all of her siblings and extended families. I wish we could have had more time together, but I respect her wishes and know that she is in heaven 😇now smiling and laughing with her mom, Diane F. and others that have passed. ❤️ I will always love you Mar !!! 🤔 Wheezy

I am so saddened by Mary's passing. She was a great friend and classmate. She always knew how to brighten your day and may have had a trick or two up her sleeve. We had alot of fun in school and of course she always had something funny to do and say. My deepest sympathy to Mike and all of her siblings as you will miss her dearly. We can only wish that she'll be greeting us as we enter, with her cute mischievous smile. Will always remember you my friend. ❤️❤️
