“ Mary was my Godmother and that made her even more special to me than she already was. Her laugh was the best on the planet. Her stories were never ending and always worth hearing. Her unsolicited advice to me, her goddaughter, was always spot on. She was my mother Rita's best friend in every sense of the word... those two could talk endlessly about nothing and enjoy every second of it. There simply aren't words to express how much she will be missed. I know Mary will be sending us signs that she's around, so keep your eyes and ears open. Love you always, Suz

“ The world will miss her ability to tell a story. BEST EVER!! I loved her easy laugh and commitment to whatever task was place in front of her. Aunt Mary, Uncle Don and, the most patient man in the world, Bob, have all been so helpful and kind to my parents, Porky and Donat. We'll miss you Aunt Mary! Enjoy your reward! Love Diane, Chip, Ben and Maddie.

“ *To Mary's Family*

We extend our deepest sympathies on the passing of Mary. Although I have not seen Mary in recent years, she remained a good friend to my mom Dorothy Pfannenstein over the past many years and the memories of days gone by are still vivid to us. Mary and Don and my parents Mike and Dorothy began their friendship in residing at the Rockville apartment building and my mom would still remember the days when she baby sat Connie. May you find comfort in the many wonderful memories that you hold in your hearts and know that your family and friends share your heartache. But for Mary - she is at peace. Again - our deepest sympathies. Steve and Sandy Pfannenstein

“ *Connie...*

Your mom would stop in the store I had in Sauk Centre. She was such a kind and caring gal every time I saw her. It was fun to see how her and her husband interacted--so in love. I know that for you and your family, she will be greatly missed. Remember, she will only be a memory away--cherish it:)
