“ *I am sorry to hear about your loss. Maxine played cards with my grandparents(Don and Gudrun Strickland) all summer long when they were at Pearl Lake. They are playing '65' up in Heaven now.*

“ *Sorry to hear of Maxine's passing - we shared many fun times with her at Pearl Lake. Lots of card playing with Don & Goody Strickland while they were at the cabin. We, as their family - son, daughter-in-law & their grandchildren & great grands always enjoyed seeing & talking with Max - she was quite the lady !!! We're sure she, Don & Goody & "Prep" are up there playing cards furiously - they all loved their times together!!*

“ *So sorry to hear that Maxine died...She always said she would live to be 100...She almost did! She was a very kind lady and such a good friend for my dad, "Preppie"...I wish I could have made it there for the service, but I live in Bloomington and am still working. I lost my husband one year ago...Prayers to all her family and friends!*

“ Sorry to hear that your mother died, even if she was 95. She was always a lively spirit in Pearl Lake and will be missed.
