“ We're in sad shock of you passing - the grief has been very heavy. Silence and tears came over us. We knew you before you met your wife Alyssa and lost touch - hearing and seeing photos of you and her, shows what an amazing friendship you two had - pure joy is shown in every photo and you clearly had met your life partner. We're trying hard to grasp this - please send signs of your presence to your wife and son - you were hand chosen to go to heaven; here on earth we will keep your memory alive and also take something away from losing you - making each day count and matter. Rest peacefully and send us signs on the lake - you will not be forgotten Mike - God be with Alyssa and Aiden and your dad, and entire family. In friendship~

“ We have had two great losses in our lives in the last year, our daughter Lori and now a good friend and neighbor, Mike Lockhart. Alyssa, know that we feel your pain and know your loss as only one who has experienced it can. Our prayers and thoughts are with you. Take comfort in knowing that some day we will be reunited with our loved ones who have preceeded us to God's glory.

“ *My Mike, as I use to call him when he was in my Sixth grade class. He touched my heart as a 12 year old who, went through so many things. Never down around me, but I could sense for me and his peers he grinned and bared it. Great humor and wit he had. A successful person who gave it his best. He is now at PEACE. So deserving so. You will feel things from him, especially, towards his wife and son. I will pray to my newest Angel- Tommy, has his best friend by him now- About 7:00 p.m. last night I felt a hand on my shoulder. I told my husband, wondering who it could be? Don't know when Mike entered eternal life. Mike, Cease Heaven!*
