“ *I am so sad at the passing of your mother and grandmother. I wasn't ready to let her go. She was my beautiful big sister and I loved her so much. I know how much she loved her grandkids, Jessi and Travis and how she loved all of your visits in her new home and in Florida. We all will miss her so very much. She will always be in our hearts but never forgotten. Love you Jeff and Barb, Aunt Margie*

“ I was so blessed to have such a wonderful and fantastic woman who I was proud to call my Aunt Nancy. I have so many memories of camping with her and Uncle George and Jeff. Her sense of humor and laughter kept everyone wanting to be around her. She was elegant and beautiful and dressed for each and every occasion whether camping or military honors for my Uncle George. She loved all her family and made each and everyone of us feel special. She was a wonderful mother and grandmother and very proud of Jeff and Barb and Jess and Trav. She was extraordinary and there is not enough space or words to cover such an amazing woman and how the world seems colder without her in it. Sending all my love and prayers to my Miller clan.
