“ *Received a phone call from my sister Ruth Hester informing me of June's death. I'm very sorry to hear of her passing. June and I sat on my mom and dad's porch and discuss what great cars we had (Pontiac 600). Of course that was a while ago. The last time I saw June and George was in Wisconsin when they were visiting Ruth. James, Tammy, and I had breakfast with them at a little cafe in Cameron. I hope heaven is amazing for you June. Our deepest sympathy to George and the rest of your family. James and Pamela Thorpe Willmar, MN.*

“ *I'm sorry to hear about June. Rick and I had many wonderful times together with her and George. I thought of her often, and wished we could have gotten together, but because of Rick's health it was impossible. I consider her to be one of my best's friend, and have thought of her often over the years. I'm going to miss her. Ruth Hester and Rick Handeland.*
