

Patricia H. Blonigan

February 22, 1931 - March 9, 2023

Patricia was born on February 22, 1931 in Albany to Leonard and Anna (Stueve) Schrom, and spent her childhood in Cold Spring, Paynesville, Rochester and Goodhue, where she graduated from high school. She graduated with Kappa Delta Pi and Pi Omega honors in Business Education and English from St. Cloud Teachers College before teaching in Albany, Austin and Hennepin Technical College.

She married Francis Blonigan on July 30, 1955 at St. Francis Xavier Catholic Church in Sartell and lived in Albert Lea and Wayzata most of her life, returning to St. Cloud after Francis died in 1998 and her sons had married.

She enjoyed antiques and auctions, reading, cards, word and crossword puzzles, stimulating conversation, writing poems, and being a good listener and observer. She was a practical, precise and punctual person - - "a purist grammarian". Francis and she loved their many European family visits and wintering in Sun City, AZ.

She is survived by her sons, Brent of McKinney, TX, Gregg (Margaret) of Kuesnacht, Switzerland; grandchildren, Patrick, Andrew, Charlie, Marissa; great grandchildren, Bodie and James; siblings, Dolores Stolpman of St. Cloud, Veits Altman of Wausau, WI and Lenore Wilmes of Nisswa.

She was preceded in death by husband Francis in 1998, brother Arch Schrom in 2018 and daughter-in-law Kathleen in 2022.

The family would like to thank the staff at Assumption Community in Cold Spring, the hospice team, and especially Patricia's niece, Kathryn Stolpman, for their support and compassion.

A private service and burial is planned for May.

“ Dear Patricia, I am the former colleague of your son GREGG PATRICK BLONIGAN having worked with him at THE ROTHSCHILD BANK IN ZURICH - where he was talking just about you as how happy he was to live in other country talking about his mother-trauma exchanging his American passport for the Swiss passport - because he was in business with Serbian mafia, Austrian jewish tax-evading clients he is having at the Rothschild Bank still today, we write the year 2025 - however, the bank in London got warnings about your son's behaviour who is just running around in Zurich--Seefeld or in the Forrests around Zollikon-Kuesnacht with Margaret - who is by the way completely unhappy as she is just meeting spouses of criminal American lawyers working for tax-evading clients from US serving so the Guantanamo-Purpose and creative forces of wars for the US so the president Trump feels worse than ever which is not fair by the way because he was just divorced twice the same way as his minister of war mr hegseth who by the way has illegal tattoos as no doctor with a licence touching the skin of a traumatised soldiers would ever allow to print on it, so shall your wonderful mother soul rest in peace, I will take care of your son whose only assistant Sonja Schuett a German lady could hold in order as your son was quite distracted with the yearlong planning of his trips with his sons and how to collect all the miles for both flights - his and his son's flights - through ROTHSCHILD'S business trips to Eastern European mafia networks because as an American he pretends not to know - but - many ROTHSCHILD'S COLLEAGUES KNOW EVERYTHING ABOUT GBL!

“ Brent, Gregg and family-Your MOM was a beautiful person inside & out! I moved to my condo on Stockinger Dr. in 2012. She was always so kind and sweet when we crossed paths. I worked out of town frequently, but on occasion when she wasn't in AZ, or I wasn't working out of town she would come and have lunch with me. We will all hold hands and celebrate with your MOM again!

Sincerely,
Mary Miller
