“ *I have so many happy and fun memories of Patty. She could always be counted on for laughter, love, and good things that so many times are missing from our lives. Her cioppino was the best, her love for her big dogs was special and I cannot think of her without a smile. There isn't room here for all the good thoughts and I am so lucky to have been a years ago friend. Thanks for loving and caring for her Kip and Ann.*
