“ *Patty was a wonderful friend. So sorry to hear of her passing. I met her as a client and we became friends. She was such a warm, kind and friendly person. I will miss our lunch and chat get togethers. Such fond memories. May she rest in God’s peace.*

“ *Patty was kind, funny, selfless in so many ways (she made sure every kid had a gift and would bring a big bag with wrapped presents for everyone, she took interest in what each person was doing). She was like a Mother to me and I will miss her very much. I remember her visiting NYC often and we went to a restaurant in Central Park and then on a carriage ride and she was just ready to have fun and see the town. I also remember, even though she struggled a lot with her health, she never once felt sorry and continued to live fully and was very interested in keeping the family active and together. She will be missed very much.*

“ Aunt Patty was like movie star to me. When I was a young girl, living in Cold Spring, she would come to town from Minneapolis in a fabulous outfit with beautiful hair and makeup. She was driving a powder blue mustang convertible and would take us for a ride. We would sit up on the seat and wave like we were a princess in a parade. I cherish all the memories of Aunt Patty.
