“ *We always appreciated that Pat took the time to say HI. She was simply a neat lady. May perpetual light shine upon her.*

“ *I knew Pat when she worked at the CS Brewery. She was such a good friend to our whole family, including my grandmother. Pat would go to her house and "set" her hair, which was a big deal for her.*

*Pat was such a good seamstress.... my first daughter, Jill had many clothing items sewn by Pat.*

*She also remembered us at Christmas with baked items packed in Tupperware! She definitely loved people!*

*I know know her family will miss her a great deal - my sincere sympathy to all of you.*

“ *I worked with Pat for many years at St. Cloud Technical and Community College. My day was not complete without stopping by the career center to visit with Pat. With my students she was knowledgeable, empathetic and patient. Many students found work and a life career because of Pat's good work and warm personality. She will be missed.*

“ I always admired my Auntie Pat's zest for life! She visited me when I lived in Las Vegas and I will never forget it. Best lunch EVER!! That and her giving me a grasshopper when I was 8 and I threw up! Toothpaste still skeeves me LOL! She was a special individual who lived life to the fullest and raised three beautiful and amazing children. God makes a very few people who proudly march to their own drummer and Sweet Pat was one of them. God Speed Pat!  
Your niece Kelley
