“ *Judy and family, my heartfelt sympathy goes out to you and your family at this time of sorrow. Pat was a year ahead of me at General Beadle HS in Madison, SD. He was a very good person who I enjoyed knowing. We were on athletic teams together and I especially remember our times together on the track and field team. He always made me envious of his speed! Although I have not seen him since high school I am sure he must have been an outstanding husband, father, and mentor to those around him. May you always remember the great times you shared with him.*

“ *Judy and family, I was very sorry to hear about your loss, and wanted to extend my sympathies. Pat was responsible for getting me my first job out of college, and I worked for him at TriMin Systems for many years. He was a very thoughtful and kind man and will be missed by many. My thoughts and prayers are with you. Jodie Sahlstrom (Brinker)*

“ Please accept my deepest sympathy on the loss you now endure. Our prayers go out to you and all the family, trusting that God will bless you with His peace that passes all understanding.

*Pat was a year ahead of me in high school, so I knew him best from the track relay team we shared - the second fastest 880 relay team in Class B at the State Tournament in 1962 (we should have gotten gold). He was a competitor and gifted runner. But he was more than that. He was kind, friendly, and good to me. I will always remember him with fondness.*
