“ *I had the opportunity to teach CCD with Paul for the past two years, and really looked forward to our weekly conversations. He was a man of deep spirituality and took his faith seriously- something which I greatly admired. We had many deep theological conversations but he also kept things light and me laughing. He will be greatly missed!!! We will be praying for the repose of his soul as well as for the family as they suffer through the loss of such a great man.*

“ *Many prayers and hugs and love to all of you. Molly and Jimmie, you know that we loved your father so very much, and this just breaks our hearts. May he rest well with the angels, and if there was ever anybody in Heaven I'd want watching over me, it would be Paul hands down.*
