“ *I was saddened to learn of Pearl's passing. Pearl was always supportive and being there for our family, even attending my sister, Virginia May's funeral recently. That was greatly appreciated and I was so glad to meet up with her again.*

I did contact my brother Dick and Wanda Elie and my deceased brother, Alfred's widow Lonnie Elie, of your loss.

I am sorry that I cannot extend my sympathy to you in person, but want you to know that I have fond memories of Cousin Pearl and family. We didn't get in touch as often as I would have liked but I always remember growing up with her and her siblings and having Uncle Jim's tasty chowmein dinners often with the entire family. Uncle Jim would sometimes offer Myron and me three helpings of his famous recipe.

Please know how special she was and our deepest sympathy to all of your family.
