“ *I am so sorry, sad and surprised of the loss of a really great person. I remember back around 1977 or 1978 maybe, I was working in Richmond and would go over to Peggy's every day to watch General Hospital. So, when I would knock on the door it was time to put her daughter down for a nap (who was about 2 or 3 at the time). One day I came over knocked on the door and her daughter would not let me in. I asked Peggy if we could try not putting her down every time I would come over. I was getting a complex. Lol*

You will be truly missed Peggy, a reminder to me how short life really is. Your spirit will live on in your family and all of us that were lucky enough to know you.

*Love,
Puddy, Valerie Hamilton*

“ *My deepest sympathy to Peggy's family. It was always a joy to see Peggy come into the store where I worked or to visit with her at my son's house. She was kind and loving.*
