“ *Dear Mrs. Martinson, I don't know if you remember me from Cyrus, but I spent many hours at your home, both as a friend of Susan's and also was a member of your girl scout troop. I recently became re-acquainted with Vicky Gunvalson through Facebook and memories of Susan and your family have come up in our discussons. Very fond memories! It was through Vicky that I learned of Bob's passing. Even though decades have passed, please know that you and your family are in my thoughts and prayers.*

*Kind Regards,
