“ Dearest Teresa and family,
The boys and I have such beautiful memories of your little Robbie back at our home and at Mt Hope. He was the cutest little guy back then and grew into such a handsome young man and true hero. What an honor and joy to have known Robbie in those early years. Thoughts of him over the years have always brought huge smiles to my face as he was so funny and cute with endless energy and a very sweet heart. He was such a protector of his little sister Chloe back then, how fitting he went on to be a Marine and protect our great

country. He will be in our memories and hearts forever. With love for Robbie and grateful hearts for his service we send you all our love and prayers to help you through this unbearable time. I know God's hand and the comfort of the holy spirit will be with you and see you through. Praise be to God Robbie is in the loving arms of our heavenly father in a beautiful place and will see him again. Love
Cindy, Chris and Craig

“ I am truly sorry for your loss. While I did not know Robert as well as other members of my family, but I have the same amount of respect and admiration for him. He was a true friend to my daughter when she needed a friend the most. He looked out for her and kept her safe when she was miles away from home. For this and his service to our country I am truly great full.

Thank you Teresa and Kurt for raising such a fine young man he will be truly missed.
