“ I only knew Bob a little over a year. What a good person to have leisurely talk. He was a laid back guy, helpful and considerate of your needs. He appeared to be very comfortable living in the country. He and his sisters helped me a lot with his brother's AIDS quilt top. The last time (October) I saw him he appeared to be in good health and spirits. What in the world happened? RIP Robert, you got Darrell and your parents with you now.

“ I didn't know Bob that well but I do know that he was an amazing husband to Aunt Jan and took such good care of her. My deepest condolences to you, Jan and Jeremy and all of Bobs loved ones. Prayers for healing. Love, Becci

“ Robert, Robert, Robert,
Ohhhhh the memories, they were great. The Sunday mornings
gopher hunting , you and Patsy in the back seat of the car shooting
the the gophers out of the windows, and I was the driver.
SCARY!!!!!!! The time the roosters had me cornered on the roof of
the dog house, and you wouldn't come and rescue me, but you
always were there to fix my bicycle. AND when you and Patsy
would chase me on the oats field with SNAKES, I thought I would
get even, I went and got the “BB” gun and started to chase the two
of you, until you hollered for mom, then I was the one in trouble.
Also when you kept the 35cent deposit from the empty case of beer
that you found in the trunk of your car, that was mine!!!! I am very
happy for you that your suffering on this earth is over, you had
enough, and you have given Mom a beautiful MOTHERS DAY
present , being there for her.
Will miss you lots, and as you would introduce me as “your baby
sister” Enjoy heaven

*And now those two stinkers are probably sharing the same memories
to each other right now! Such a sad loss for all who knew him. Such a
sweet man! Bob, fly with the angels and enjoy your friends in heaven.
Tell them we miss them just as we will always miss you!*
