“ *Googled Roger today when memories of him crossed my mind to see if there was an obituary and surprised to learn of his recent passing. He was a client of my wife's business Jan Zwiefel massage therapy getting regular massages. When he was unable to drive in recent years he would call and visit with me weekly to monthly and we kept up to date. I thought of him often after I assume he became unable to call. He was a sweet man and we empathized with his health conditions. God Bless his memory and sympathies to his family and relatives! Fred and Jan Zwiefel, Richmond*
